B.R.S. Neupane & Co.

Independent Auditor's Report

To the Shareholders of N.R.N Development Fund Limited

Opinion

We have audited the financial statements of N.R.N Development Fund Limited (hereinafter referred to as "Company" or "NDF") which comprises of Statement of Financial Position, Statement of Profit or Loss, Statement of Cash Flows, Statement of Changes in Equity and Significant Accounting Policies and Notes to Accounts for the year ended 16th July 2023 (31st Ashad 2080)

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at 16th July 2023 (31st Ashad 2080), and its financial performance for the year then ended in accordance with Nepal Accounting Standard.

Basis of Opinion

We conducted our audit in accordance with Nepal Standards on Auditing (NSA). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have concluded that there is no KAM which is required to be communicated in the audit report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with **Nepal Accounting Standards**, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Management are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with NSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with NSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting
 from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations,
 or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances on whether the organization has adequate
 internal financial controls with reference to the financial statements in place and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Company's ability to ansent the company are company and the company are company and ansent the company are company and an accompany are company and accompany are company are company and accompany are company are company and accompany are company are co

Kathmandu

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the Other Legal & Regulatory Requirements

As per Companies Act 2063, based on our audit carried out on sampling basis, we report that in our opinion,

- 1. We have been provided with the information and explanations asked for, which were necessary for the purpose of our audit.
- 2. Proper books of accounts as required by law relating to preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books.
- 3. Statement of Financial Position, Statement of Profit of Loss, Statement of Changes in Equity and Statement of Cash Flows have been prepared in accordance with the requirement of the Companies Act 2063 and are in agreement with the books of accounts of the Company.
- 4. During our examination of the books of accounts of the Company, we have not come across the cases where the Board of Directors or any members or any representative or any office holder or any employee of the Company has acted contrary to the provision of law or caused loss or damage to the Company, and
- 5. We have not come across any fraudulent activities in the books of accounts.

Nepal Development Fund Limimed (hereinafter referred to as "Company" or "NDF") is a public limited company incorporated under Companies Act, 2063 of Nepal with Government of Nepal being one of the promoters with initially 5% ownership, vide Registration No. 260678/077/078 dated 2077/12/17 having PAN 609983777. The registered office is located at Ward No. 4, Baluwatar, Kathmandu Metropolitan City, Bagmati Province.

The NDF is a collective investment scheme. It is aimed to create opportunities to various small and large Non-Resident Nepalese (NRN) investors to invest in projects that are likely to improve standard of living of Nepalese population and generate employment and provide permanent income sources of income NRN, allowing to participate in National development through close collaboration with local stakeholders, governmental agencies and other collaborating organizations, private or governmental. The NDF has three major objectives. The First being to bring rupees ten billion worth of investment and the second and third are to issue public shares and to participate in the national development respectively. Apart from the three major objectives, NDF also aims to participate in green financing, participate in development activities, invest in basic agriculture projects, provide line of credit with or without options of equity conversion and raise the standard of living.

The financial statements have been approved by the Board of Directors.

B) Significant Accounting Policies:

1) Accounting Convention:

The financial statements are prepared under historical cost conventions on an accrual concept and are in accordance with applicable Nepal Accounting Standards, unless otherwise stated and other laws Prevalent in Nepal. The accounting policies are consistently applied by the company.

2) Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the periods in which the results are known/materialized.

3) Fixed Assets and Depreciation:

- Property, Plant & Equipment are stated at cost inclusive of all expenses incurred in commissioning/ putting them into use, less accumulated depreciation.
- ii) Depreciation on Property, Plant & Equipment has been charged on Written Down Value (WDV) Method as per the rates prescribed in the Income Tax Act, 2058. The rates of depreciation are as per Schedule 2 of Income Tax Act, 2058.
- iii) The rate of depreciation applied are as follows:

Particulars	Rate
Office Equipment	25%
Computer & Laptop	25%
Software	20%

4) Provisions, Contingent Liability and Contingent Assets:

Provisions are recognized when the Company has a present obligation as a result of past event; it is more likely than not that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These are reviewed at each reporting date and adjusted to reflect the current best estimates in accordance with applicable Nepal Accounting Standards.

A contingent liability is disclosed where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the assets and related income are recognized in the period in which the charge occurs.

Current Tax:

Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with Nepalese Income Tax Act, 2058.

Deferred Tax:

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date.

No deferred tax has been recognized and accounted for in the books of accounts in view of no or negligible temporary difference.

8) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue and associated costs incurred or to be incurred can be reliably measured.

Revenue is measured at the fair value of the consideration received or receivable. The following specific criteria are used for the revenue recognition:

i) Interest Income:

Interest income are recognized under accrual basis in the profit or loss for all interest-bearing financial instruments meeting NRB directives for interest recognition in Financial Statement.

ii) Dividend Income:

Dividend income is recognized when the right to receive payment is established. This is the exdividend date for listed equity securities, and usually the date when shareholders approve the dividend for unlisted equity securities.

9) Cash Flow Statements:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated. The Cash flow statement is separately attached with the Financial Statements of the company.

10) Other Payables:

Liability for other payables are carried at cost which is the fair value of services.

11) Trade Debts and Other Receivables:

Trade Debts and other Receivables are originated by the Company and are stated at cost less provisions for any uncollectible amount.

12) Going Concern:

The financial statements have been prepared on going concern basis.
